## President's Message

January 2016

We are trying to restart the Newsletter. Many thanks to Mark Holden for his help. I would like the President's Letter to be an update about club goings on.

This Month: The topics are Club Equipment and Elections.

As we have been discussing at the last few meetings – we need to get a handle on what the club owns. We plan on evaluating what we have and replacing or repairing things. But in order to do that we need to know what we have and where it is. So far only one member has taken the time to take a picture of what he has. PLEASE if you have anything that belongs to the club — take a picture and send it to me at: [jklmflynn@msn.com](mailto:jklmflynn@msn.com).

Elections – It is clearly unfair to have a small percentage of people doing all the work. There really is not that much to be done. It's always the same people — Right now Mark Holden is Secretary and Newsletter editor. If you don't want to hold office at least offer to help on a committee, DO SOMETHING. We are all equal members.

Thanks for listening  
John Flynn

## Safety First!

- Always wear a face shield !!
- Make sure your tail-stock is LOCKED before turning on the lathe!!!
- Never move the tool rest while the lathe is Spinning.
- When you have to chase your lathe around the room, you're turning speed is too high.
