## President's Letter

Happy August ARTIES!

Things that I am thinking about:

**Arboretum:** I need two people to volunteer for demos at the exhibition Sat and Sun, (1 each day) There will be a lathe and grinder there you just bring tools and show off for ½ to 1 hour.

**AAW:** The news from the AAW is that dues will be going up by \$5.00 next year. You can avoid the surcharge by renewing before 10/01/16.

**Learn and Turn Mentor:** Ron P. has volunteered to oversee Learn and Turn this month Thanks Ron.

**Topsfield Fair:** Speaking of Ron – Topsfield Fair is coming up – before the Arboretum, please sign up for a few shifts.

**President's Question of the Month:** What ever happened to Wood Swap? I recall coming home from meetings carrying at least a few chunks of wood.

To get this re-started, a few weeks ago I was contacted by Dick Piper, a self-proclaimed lapsed member. He has a large wood inventory that he is reducing. On Monday 8/8, I picked up a box of about 40 pieces of domestic and exotics. 4x4x2 through 10 squares, 4x2 in. rounds, 1x1x 4 through 10 and any more. Most are identified, some I have never heard of.

They will all (less a few pieces that fell into my workshop) be available for next meetings, 8/18, wood swap. Thanks Dick.

Be Safe and Happy Turning!  
John Flynn, POART

### Safety First!

- Always wear a face shield !!
- Make sure your tail-stock is LOCKED before turning on the lathe!!!
- Never move the tool rest while the lathe is spinning.
- When you have to chase your lathe around the room, you're turning speed is too high.
